Dear Sir

**Application for lifting of trading halt**

Following its announcement earlier today of the proposed merger with Corpnet (Australia) Pty Ltd EBS advises that it has today applied to the NSX for lifting of the trading halt currently applied to its shares. This has been in place 2 September when EBS announced a possible corporate transaction. We are not aware of any reason why our application should not be granted as requested.

Yours faithfully

JJ Martineau  
Director & company secretary
